"Cards for Soldiers"

The Project is two-fold; we make handcrafted and signed greeting cards to be sent to our troops that are deployed overseas. The hand-signed cards are usually thank you, we miss you, holiday cards, etc. to let the soldiers know that we appreciate their service and miss them. The rest of the cards are left blank so that the soldiers can send greeting cards home to their loved ones. The subject of those greetings is left up to the designer of the card.

Our troops need cards to send home to their families as the facilities to obtain greeting cards are very limited. The troops do not always have access to email or phone services and enjoy sending cards for birthdays, anniversaries, holidays, etc. home to their loved ones. We have partnered with individuals that prepare care packages for Soldier Angels and Desert Angels to get the in the care packages and to the soldiers.

They also need supplies to make cards. So if you have any scrapbooking or card making supplies that you would like to donate to the program, feel free to drop them off at The Paper Hollow and Cheryl will see that they get to the project coordinators.

Monetary donations are also accepted to help offset the cost of mailing the cards to the soldiers. Gift cards to any craft store (like The Paper Hollow) are also welcome to help with the project.
